

REMARKS

By the present amendment, applicant is amending the specification, drawings and Abstract of the Disclosure along the lines suggested by the Examiner.

Further the claims have been amended to clarify the language therein to overcome the Section 112 rejections and objections and to amend the claims, indicated as containing allowable subject matter, into independent form. Accordingly, applicant submits that the claims, as now amended are clear of the art and otherwise in condition for allowance.

Applicant submits that the amended application is now in condition for allowance. An early and favorable action to that end is requested.

Respectfully submitted,

WELSH & KATZ, LTD.
